

開學至今覺得自己表現如何？ 下列事項我做到了嗎？（做到請✓）

☒準時到校 ☒做好掃地工作 ☒作業按時繳交 ☒遵守校規 ☒離開時桌面淨空

☞自我檢核與反思：

Following rules is necessary, but what's more important is to rule ourselves. If we develop into a good habit, there's no need for others to ask us how to do or what to do. Therefore, instead of following rules, just make our life regular. So we can enjoy every day without breaking rules.

☞這段時間最開心認識的人？

Everyone of course! These days I haven't met anyone that trys to do bad things to me or makes my day worse. I'm so blessed lately!! It's because you're also a good, nice and kind peer. So everyone wants to be with you happily!

☞老師，我對您的第一印象：

First image It's been such a long time that I can't completely recall. The answer might be enthusiastic I think. However, I will never forget what happened that day because it's one of the best days of my life.

☞孩子，我第一眼看到你：

Witty, polite, positive, and earnest, actually, all these mentioned above are all the first impression I had from you! Afterwards, I found Kelvin is also humorous. That's good! Keep it up!

James

禮 ING (代表時時有禮貌) 外荷 (代表儀態外在如荷花一般高雅脫俗)

讓禮貌從『心』出發，讓改變看得見。

☺ 怎樣的行為，會讓人覺得我是個有禮貌的人？

Being considerate and thoughtful always. Every time when we meet someone, no matter who they are, the first thing to do is to think about their need. In this way, we will be considered to be polite people.

☺ 你我有禮：主動、微笑、打招呼

1. 進辦公室口喊報告，離開時應喊報告完畢。

☒ 我做到了 ☐ 我沒做到，因為 I've got used to it。

2. 上放學在校門口看見師長，應大聲問早、好及道別說再見。

☐ 我做到了 ☒ 我沒做到，因為 I didn't sometimes because some teachers are too busy to respond. Han!

3. 主動協助師長，展現服務熱忱。

☒ 我做到了 ☐ 我沒做到，因為 I'm a "vice" class leader ~。

4. 同學之間應隨時將『請、謝謝、對不起』掛在嘴邊。

☒ 我做到了 ☐ 我沒做到，因為 I've tried my best.。

5. 同學間應互相勉勵，互相問好，互相糾正。

☒ 我做到了 ☐ 我沒做到，因為 It's important. gwd!。

☺ 禮貌是成功的關鍵，

導師覺得你還可以：

Always being a person who loves to help, which makes us become the adorable person! Han!

And I think you have made it!
And you have a kind heart and treat classmates well.

Just keep it on! Teresa

I found that I can copy "You are on your own" if

I'm too lazy to write

Wow!
Really? Awesome!

第四篇

高中課業中，我的最愛與最痛：

① For me, I personally feel studying in Senior high allows me to experience different things in the world, which is my favorite part; however, what leads to pain is the fact that every second of my senior-high life
② determines my future little by little, meaning there's no much room for
③ relaxing. I've already felt exhausted, and I can't even imagine the life we're going to have three years after.

進入高中以來，最感恩的人或揪甘心的事：

It kinda like asking me for the warmest part I feel in the desert! Everyone has a warm heart and is nice to one another. If I must pick one, I would say I'm thankful for those people who always bring me things that I forgot to take, such as trash, water bottle, etc.

It's the basic items everyday, and

孩子，我明白你的壓力，老師建議你：

the essential ones!

I know!

It's hard to avoid stormy waves when you are sailing in rivers; and it's hard to avoid bramble when you are climbing rugged mountains. We hope you can fearlessly fight the stormy waves and hack your way through the jungle.

Tevesa

→主動與父母建立友誼，我想從何做起：

I think the disease actually messed up everything. My family almost lost every activity that improves our relationship. When we are finally free from the threaten of COVID-19, I hope that I still have time to spend with my family before going to college. *Truly!* *that's important*

→動物家庭，用動物形象來描繪家人，並敘述其特性：Homo sapiens

My mom would be a spider. She's always weaving to make our house tidy and neat, and she's also the reason that my family is still working perfectly; my Dad would be an ant. He's always working to keep us away from hunger; my sister would be a cat but I don't know why (just a feeling). *How she is calm and wise.*

→分享一本好書或一句好話，並說明分享的原因：

"a lack of self-awareness is poison. Reflection and review is the antidote." Jack Clear in Atom Habits. What's more important than a habit is a good one. After all, an outdated habit or a bad habit can't make ourselves better. *I agree!* *I can't agree with you anymore!*

→孩子，我想跟你說：

Family is always the core idea in my life, too!
You have such a sweet family,
the farther you are away from home,
the more important it is you'll find!
Teresa

★面對 108 課綱，準備好了嗎？

Honestly, I believe that nobody has the ability to say that they are fully ready for it. Besides working hard, I think that the only thing I can do is reviewing everything I did and then figuring out which is a better way for me to accomplish my tasks. We need to accommodate ourselves to this fast-changing world, or we'll lost in the current.

★為期末考訂定讀書計畫，並檢討實行後的成效與心得：

Apparently, the second question can't be answered because the exam hasn't come yet. However, I'm able to share my plan for studying. First, I will list all the tasks I have to do. Then, instead of writing them down, I will rather make a check-up list and a chart showing what has to be done this month. Finally, I mustn't give up.

★分享這學期的心情寫照：

The first semester of senior high school is not only exciting but also meaningful. This year, I learnt to finish my job under the pressure and stress.

As for me, I also spend and spare

★孩子，這學期

以來，我覺得你：

time making the list first,
and the list really works
and is helpful!
It's a good for U!
keep on it!
