Introduction of Olaf

成果說明

配合本學期英文課本第5課課文內容，與同學合作兩人一組共同拍攝影片介紹一位迪士尼角色，以下為流程圖

Character: Olaf

講稿：

澄: Hello everyone, today we are going to introduce a very cute Disney movie character. He is a snowman named Olaf made by Elsa from frozen.

祥: **No matter** how much you know about **Olaf**, we are going to tell you regarding his story and dream. **He is** a very sincere and kind snowman, **and** he is also warm-hearted and imaginative.

澄: Olaf always wants to enjoy summer and **stand** on the beach to play around on it. **Doesn't** Olaf's dream sound impossible? Well in fact, he is **a** snowman that will be **melted** under the hot sun for sure, but whatever he still dreams to enjoy the sunshine.

祥: Every time he **is close** to hot things like fire, sun and hot spring, he always **melt** immediately, but this couldn't keep him from reaching those hot things, because he just wants to do what he likes. Even **though** some people said his dream is unrealistic and **laughed** at him, he never **give up on it**.

We think it's pretty deserving that all of us should learn this kind of spirit from Olaf, which is dreaming without any fear and just pursuing whatever he wants without any worry. All of us should have a dream, but living in the world like this, people usually do not have the courage to dream **big**.

澄: For example, some people might say that they dreamed of traveling around the world, but they don't have enough money so they give up. or some might say that they wanted to make the world a better place, but not knowing how to do it, so they give up. Whatever you had given up your dream or not, from now on, we really want to tell you: just go and dream whatever it is, dream what you want for your own life, like Olaf.

Moreover, Can you imagine that actually Olaf achieved his dream in the end of the movie? Elsa created a little cloud that will keep snowing all the time on Olaf's head, so that he can go to the beach and do anything without **malting**. Even though it was through Elsa's help **that Olaf finally** achieve his dream, if Olaf didn't have this kind of sounding impossible dream at first, Elsa **wouldn't have** come up with the idea of making a cloud for him.

祥: And the reason why we want to introduce you about Olaf is because we think Olaf is so cute and he always brings joy to everyone around him. We also want to become a person just like him, loving to dream, and loving to give people happiness. Every time I face difficulties and want to give up, I will remind **myself** the spirit of **bravery in the** pursuit of dreams from Olaf. Then I will **regain** the courage to dream, **and** never be afraid. Because of Olaf, I became **braver and stronger** to stick to my dream.

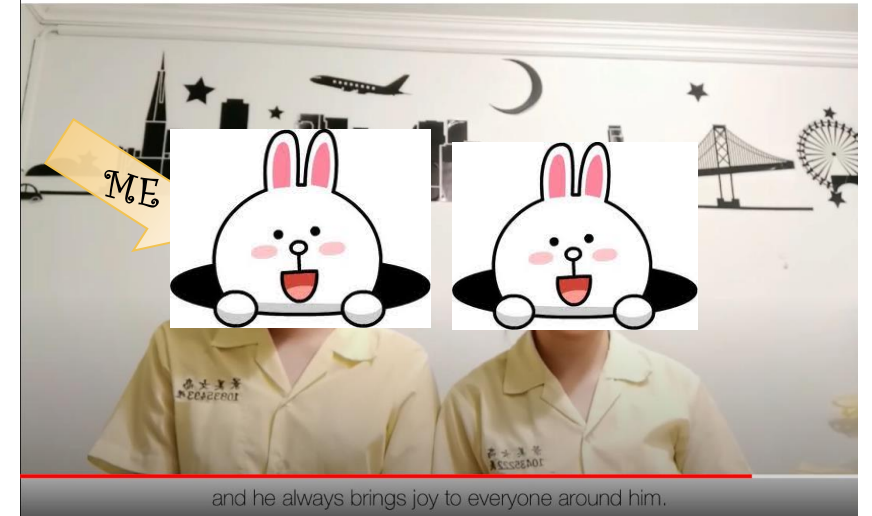

澄: So now think about what you would like to dream **about**, and held **onto** the belief that nothing is impossible. **As long** as you can dream, all the wishes will come true someday. In the end, we **hope** everyone **can** keep your mind sincere and kind. **Always be true to yourself, dream big, and never lose hope in the pursuit of your dreams.** never **lose** your childishness, enjoining dreaming and pursuing it.

總心得

在這次作品製作的過程中，和以往不同的是影片整體著重於英文口說的部份，最困難的部分就是要去突破口說的恐懼以及影片拍攝過程的尷尬，但是在嘗試過後就慢慢地打開自己，也比較不那麼害怕或緊張了，即便是短短幾分鐘的影片，我和小組夥伴還是盡力的在段考期間也認真地撥空練習了，雖然最終成果影片仍充滿著生疏感，但在努力過後的成果總特別使人感到欣慰和得到成就感，是一次很好的練習努力。
