

英文學習日誌

LEARNING JOURNAL

學習動機 與期待

由於之後的學測中包含了英文作文的考試，於是老師決定從一年級開始培養我們寫作的能力，所以從一開始用一個單字造一個例句，到將五個單字組成一篇小短文，用漸進的方式的提升作文能力。

而我也希望可以透過學習日誌，一點一滴地從一年級開始培養，再透過平常的練習，增強自己的能力。

撰寫歷程 與反思

1. **架構內容** ⇨ 從時事中找尋題材，在從單字中查看哪些是可以運用上的
2. **寫一遍單字的課文例句** ⇨ 可知道單字如何運用，且透過寫一次課文，更能了解文章是如何編排與架構
3. **撰寫小短文**
4. **檢查** ⇨ 為了避免粗心而寫錯，所以要一再的檢查

學習 與收穫

- 1.在寫短文的過程中，會遇到不知道該用甚麼介係詞，所以我會翻開課文或是單字下面的例句，找尋該搭配的介係詞是甚麼，或是查詢網路資料
- 2.老師改完後，會挑出幾篇寫得較好的，分享給大家，而且從中也能學習到那些地方容易錯誤需要小心的細節
- 3.透過老師的講解與訂正，明白自己該注意的地方有哪些，像是連接詞的運用，和句構的方面都需加強
- 4.最後再將小短文寫過一遍，再練習一次，並了解哪裡是需要改進的，之後再不斷的反覆練習

小短文練習一

1. 因為新冠肺炎的蔓延，有了許多的限制與現象發生，像是不能出境、大家都需要在公共場合戴口罩和保持一公尺的社交距離

2. 有許多的小細節是需要注意的，例如：時態的一致、單複數與單字所擁有的架構形式

v. **warn** But I must warn you that it might taste a little different from what you're used to.

n. **research** However, research has shown that it's not the airlines' fault if in-flight food tastes a little "special".

n. **announcement** Needless to say, you'll never hear an announcement like this.

n. **conditions** In fact, experiments have indicated that food doesn't taste as sweet or salty under noisy conditions as it does in a quieter environment.

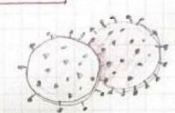

Now, the COVID-19 is around the world. When it came out, nobody ^{thought} ~~thinks~~ it can be seriously. But day by day, the **conditions** can't control anymore, and more and more people are infected by COVID-19.

SO, on the street, most people wear a mask to prevent themselves from getting this disease.

And you can see many **announcements** that we should usually wash our hands or **warn** us ^{not to} ~~don't~~ go to other countries, such as Japan, Korea and ^{China} Chinese.

During this time, doctors and scientists also **research** how to solve the problems and how to **distinguish** accurately.

Finally, I hope everyone can be safe.

小短文練習二

Lately, the Korea drama, Crash Landing on You, is desperately famous in many countries. It describes a woman who lands on North Korea from South Korea. And there are many scenes in the drama. By the way, some people start to challenge whether the scenes in the drama are real in life. Furthermore, the scenes that they even been become popular, and more and more people want to go and visit them. So I think the Korean dramas have deep effects.

訂正

老師建議多做句型翻譯練習，所以我也買了一本參考書，來加強這部分；也透過訂正來加強自己的能力，了解自己錯在哪裡，要怎麼改正

ㄟ4: 很棒，因為句構的錯誤較多，多做句型翻譯練習
會有很大的幫助喔！

小短文練習五

1. 越來越多社會案件，是關於犯殺人案的兇嫌都聲稱自己有精神病，來逃避或減輕刑責，所以我用這篇來表達我的意見與看法

2. 雖仍然是細節的部分，但其實整體來看有進步一點點了，所以我覺得透過練習是有用的

awful The first months of school were awful for Auggie.
scary With the scary mask on, he walked with his head held high through the halls of the school, not caring who saw him.
incident The incident was so heartbreaking that he hardly spoke to Jack for a month.
cruel When Jack realized Auggie had overheard his cruel words, he felt terrible.
apologize But now, after learning how cool and smart Auggie was, he genuinely wanted to hang out with him and be his friend.

There are many scary events this year. But it's not half of the year. Especially, the murdering incidents have had ^{increased} more than three ^{usual} yet. Because the criminals always say ~~he~~ ^{they have} has mental illness, they were not sentenced to death. The judgments were very ^{they have} cruel to victims' parents. Some criminals didn't even apologize to victims' parents. So, I think the law is awful now. It doesn't give victims ^{the} justice, and doesn't give the society a safe environment.

Wow, 你注意時事! 好棒!
 不過, 這是很大的議題, 可以多著一些文章, 探討 (從多面向討論)

gain Note-taking provides a great way to gain new knowledge.
require The Cornell note-taking system typically requires breaking your page up into three parts: one for notes, another for cues, and the other for a summary.
information The Notes Section, a wide column on the right side of the page, is where you can record important information during class.
guide Once your cues are finalized, cover your Notes Section and challenge yourself to recite as much important information as you can, using the cues as a guide.
frequent It is likely that frequent reviews will ensure that you remember the information longer.

When the technology is prevailing, more and more information that we gain. However, ~~the fact~~ ^{fake} news also has been ^{everywhere} frequent. But many people don't check whether it is correct. So we ^{have to} ~~require~~ ^{independently} thinking the ~~guides~~ in the news is right or wrong, such as reading beyond, checking the authors, asking the experts. Don't miss in the wrong information. ^{get lost}

透過一年級寫學習日誌，讓我受益良多。從一開始的小短文發想，使我更了解時事與更多的課外知識，之後老師的訂正，讓我更能了解自己需要改進的地方，加上老師告訴我該怎麼做後，也讓我更知道要注意英文寫作的哪些部分。由一年級慢慢扎根，以後才不會突然要從零開始練習而毫無頭緒
